Having a party at The Cloisters?

Please call us or the Star-K for important information (applies only if you have any Kohanim in attendance).

Is it really bug-free?

Many batches of pre-washed and/or pre-hashgacha-ed romaine, mesclun, asparagus and cabbage have not passed the fastidious scrutiny of our eagle-eyed mashgiachim. It's important to watch what you eat and where you eat, both for the Seder and year round!

Q. Little Moishe Shapiro arrived at the big Siyum at Mitzvah Mo Stadium, and realized he left his ticket at home. Asher the Usher believed him, and told him to go sit in a random seat. The entire stadium of 45,501 seats was sold out, but he told Moishe to tell whoever came to that seat that they should find a different seat. Meir Meuchar arrived, and was the last one in, with only one seat left. What are the chances that that empty place was actually Meir's assigned seat?

Irrelevant and misleading hints: 1. Lipa does not have a seat. 2. Seats 10,000-11,000 were all displaced. 3. The buttered popcorn was Cholov Yisroel and trans-fat free.

Three randomly-selected correct answers faxed to O'Fishel Headquarters by April 3 will win a **Free Pass to O'Fishel's Fine Chol Hamoed Pesach Dining!**

Special prize for the most creative elucidation, illustration or algorithm of the correct answer!

מַלְכָּה טוֹב

'Shkoyach to **Shoresh** on their Shabbaton at the Venice Inn in scenic Reb Akiva Hagerstown. Thanks for making it O'Fishel! · Major kudos to **Beth Tfiloh Congregation and Suburban Orthodox Congregation**, who participated in the national Shabbat Across America, and who treated close to 1,000 people to one of the ultimate Shabbos experiences: O'Fishel's delectable Shabbos meals. Don't forget Shabbos happens around every 7 days year-round, so share the magic! · Congratulations to **Agudah of Greenspring** on their banquet, celebrating their hostile takeover merger (and subsequent elongation of name) with **Adath Yeshurun Mogen Abraham** (Rabbi Shafran's shul). The latter was founded 120 years ago (1888 for those without a calculator), and we wish this new union another 120 - עד ועדי בכל(ו)! · Shkoychachen to **Bais Yaakov** on their gala banquet at Hunt Valley Marriott, where 700 supporters enjoyed the bountiful repast, featuring sushi stations, saucy barbecue ribs, grilled past-rami and other gastronomic delights. One of the guests was overheard to say that it was the best dinner in 30 years. While we can't imagine the rampant footloose tomfoolery of those wild and wacky '70s, if it was better than this one, it must have been quite the bash (see illustration above)! Special thanks to Rabbi Ari Lerner and Mrs. Mirel Storch for their incredible efforts! · Mazel Tov to **The Berry Family** on **Aharon Shlomo's Bris** at LICMMAE, which was catered on berry little (less than 16 hours) notice! · Mazel Tov to **The Lazerow & Rechthand Families** on the Motzei Taanis Esther Bris of **Yaakov Yerachmiel** at Rambam. Mazel Tov to **The Dachs Family** on the aufruf kiddush at Rambam. With the Krovetz and Parshas Zachor (who could forget that?), the davening was so devout that some of the well-wishers enjoyed the kiddush before the arrival of the family, which is yet another case of **Daxation without Representation** (see illustration at left). · Mazel Tov to **Shayna Schwartz & Yosef Bernstein** on their Sheva Brachos at The Agudah. Mazel Tov to **The Wetstein Family** on **Dovid Nesanel's Bris** at LICMMAE. Mazel Tov to **Esti Lazar & Reuven Rosen** on their wedding at Beth Tfiloh. Mazel Tov to **Michael Blitz** on his aufruf at Bnai Jake Shaarei Zion. Mazel Tov to **The Lando Family** on **Yosef & Tehilla's** wedding at LICMMAE. Congrats to Hillel on all the meals served at Hillel!
