Dear Fishel,

I'm writing to thank you for the beautiful wedding you catered for my children, Mini & Avi.

I must admit that I was somewhat apprehensive about using the Shomrei Plan. I have never attended a wedding at Shomrei, and I wondered if the "budget" shmorg would be appropriate for our purposes. Despite my concerns, the Plan was the most responsible way for us to proceed.

This was the fourth wedding we made (the first with O'Fishel's), and it was by far the most enjoyable. Everything at the smorgasbord was displayed beautifully and tasted delicious. Our

guests had plenty to eat. When I was told that even my brother Mechul liked the shmorg, I knew that you managed to impress the NY crowd!

Everyone complimented the meal you prepared for our simcha. The service was great. The food looked and smelled enticing and tasted even better. And your desserts, especially the eclairs, were so fresh and scrumptious, we all forgot about our waistlines.

Many people told us that this was the most pleasant wedding that they attended in a long time.

Thank You Very Much!

Dear Fishel,

Thanks to you and Simcha's attention to detail, Yehuda's Bar Mitzvah was truly propitious. Everything you served was scrumptious & delicious. Your experience & creativity are beyond compare. May we only have simchas to share. For your friendship and expertise we are grateful.
