To Mr. Fishel Gross, עמרש  
You don't really know my name but most probably remember me. I'm the one that constantly came into the kitchen to ask באישול ישראל questions throughout the Bais Yaakov convention.  
I truly appreciate it that despite the fact that you were extremely busy, dealing with hundreds of people to feed, you took the time to answer my questions. It was so reassuring

to know that I could approach the caterer and he'd answer me (and that is was באישול ישראל).  
Not to mention - that the food was really delicious! May the רבש"ע send you continued פרנסה והצלחה and may you be זוכה to help many others!  
With much appreciation,  
Vena A., Edison, NJ  
*Ed. Note: All our foods are bishul Yisrael. She's probably referring to Bais Yosef.*

*On behalf of the entire family, and particularly Yosef and Yehudis, we would like to take this opportunity to thank you for the fantastic job you did on the "latest" Ragan family wedding. We should be used to your organization skills, delicious food, and gracious manner, but each time you both surpass yourselves. Thank you for making the simcha so memorable.*  
**Fond regards,**
