With great sorrow, we announce the passing of a hard working member of our fleet, Mitz E. Bushi, who brought beautiful china and fresh food to hundreds of parties. Mitz was created in the 1980s, before most citizens of Papua, New Guinea were born, believe it or not! A replacement has been chosen and is presently being outfitted in central Pennsylvania, to be brought into service iy"H in January. In lieu of flowers, please send a donation to the Ellicott City Fire Department, who were involved in its final vidui. Mitzvah Motivators will accept donations as well.

Q. What do you say to great-great-great grandma on her 120th birthday?

א Have a good day!
