...where guests consumed the better part of a better part of a football field's length of deli subs!

### TRUE EPISODES OF DR. M.R.

Do you  
have power?

No, but we've  
got great  
starting pitching!

Dear O'Fishel & Gross Family, amu'sh,  
Being without electricity in temperatures that scorch,  
Reading by candlelight and putting the kids to sleep on  
the porch.

"Shampoo swimming" with buckets and a hose,  
Strenuous hand-washing and wringing our clothes.  
Now we come for a delicious supper at Liberty Jewish  
Center,

A great way to end another day of a most exciting  
adventure.

Though this obviously can't repay you for everything  
you've done,

"V'Chol me she'oskim b'tzorchai tzibbur b'emunah  
Hakadosh Boruch Hu yeshalaim s'charam."

Thank you for taking care of the needs of the hour,  
Which has certainly been orchestrated by the true One  
& Only Power!

Azriel and Elisheva Hauptman & Family
