Thank you for the wonderful event that you and your staff assisted in creating for the wedding yesterday.

By all accounts the food was wonderful and your staff both professional and courteous, to all they served.

I will be happy to recommend your company to any future weddings that are in need of Kosher food, and also wanted to remind you, that the Simeone Automotive Museum, has the ability to host groups of 20 to 2000, with three acres of free parking.

My best wishes for a happy and healthy summer.
