SUPER SIZED MONTHLY MEGA-MAZEL TOVS!

Mazel Tov to **The Melvin J. Berman Hebrew Academy** on their High School retreat at Camp Airy. Special 'shkoyach to the young men who volunteered to complement and compliment O'Fishel's hard-working-yet-Tefillah-b'tzibur-consecutive-streaking employees in order to make a Hashkama minyan. In a gesture of hakaras hatov, they were treated to a modest Kiddush of assorted pastries, herring, crackers, turkey salad, cholent, kishke, kugels and drinks (only of the soft variety, of course!), prior to which many of them, due to their residential geographical limitations had only heard about or dreamed of! In fact **if you can list those who pitched in for the minyan, fax us the list and you can pick up your own set of Kiddush goodies (including forks!)** - delivery to some areas may be restricted (see above). **MT'SleepdeprivedFO!** - Mazel
