RAH MESORAH TEACHER RAINING

...AND GUESTS WHO ONLY WISH THEY COULD MAKE IT O'FISHEL!

Dear Fishel, We had heard many things about you and your catering, but had not had the pleasure of partaking in it.

Recently, Vic and Marcia Rosenblum used your services for their simcha. We need to let you know how impressed we were with what you provided, starting with Friday night dinner and ending with the beautiful spread you provided for the Sunday reception. We can honestly tell you there wasn't a thing we didn't enjoy! After each meal we anxiously looked forward to what was coming next!

We wish we could tell you we will be preparing a simcha in the future. However, our weddings have been made and the simchas are now up to our children, who do not live in the area. But we did want you to know how much we truly enjoyed your catering.

Moshe grabbed his balance scale, and in three tries, he discerned which coin was his, and left smiling, as Mendel the Mazik scratched his head in wonder. Figure out how Moshe did it and win a
