Answer's to Last Month's Multiple Mystifying Brain Strains:

Q1. Where in Tanach, Talmud Bavli, Talmud Yerushalmi or The Little Medrash Says do we find that 2 cats showed up at the door and stayed for a year?

A1. We recognize and acknowledge the budding and budded scholars of the Ring and Schuldenfrei Families, who recognized that the 2 cats were those who showed up at Noah's teiva to escape the upcoming inclement weather.**

Q2. When is it halachically mandated to make kiddush on something white?

A2. The ring for this went to the Ring Family, for answering kiddush levana. Honorable mention to those very same Schuldenfreis for answering that one should use white wine for kiddush, when it's better than the red wine.

Credit for questions to the Meshulach at Meir & Bethy G. Hostel, mg'l.

**Little known fact since that time, no weather forecaster has ever been as accurate!
