Congratulations to all the dedicated volunteers of **Lifebridge Health**

on their Annual Appreciation Banquet at **Martin's West**. Thanks for making it O'Fishel! Mark your calendars now for next year's banquet, on April 17, '07!

A rabbi walked into a restaurant a few days after Pesach, to find one of his congregants, who was usually long on good intentions but short on actual knowledge, sitting at a table. In front of him lay 9 plates, each adorned with a slice of cheesecake. Perplexed, the rabbi approached him. "Hello, Chaim Yankel, may I ask you what you are doing?" "Of course, Rabbi Goldsteinbergerovsky, I've ordered 9 pieces of cheesecake because today is the ninth day of the Omer, toward the great cheesecake holiday of Shavuot. Every day I order one more piece and make a bracha on it." Curious, the rabbi asked: What happens if you miss a day?" "In that case," answered Chaim Yankel filled with pride at remembering the halacha, "I'd eat the cheesecake without a Bracha!"
