Even after the Chazaka was established, O'Fishel was proud to cater our fourth wedding for Rabbi & Mrs. Moshe Hillel Glazer... this time with Fireworks (or was that with Fireworkers?). This was quickly followed by a wedding for the Firestones (we're really rolling now).

These were sandwiched by our 2nd wedding for Mr. & Mrs. Chaim Rubenstein and Family (their 3rd this year!). May Hashem's Brachos on these families—and all those reading this—continue (and even on those not reading this... aren't they missing out!).

Dear Fishel:

Herman and I want to thank you for an outstanding and magnificent job well done at our recent 10th Anniversary Trade Show & Grand Sale. In addition to our own superlative evaluation, we have heard nothing but rave reviews from customers and factory representatives alike. We can tell you from experience that the factory reps have very discerning palates, so when you leave from experience that the factory reps have provided the delicious and scrumptious menu selections. Also, please thank Mr. Tzvi Shear for his indispensable role as second-in-command to Fishel.

You made several innovations this year which were a major hit. First, you grilled the meats which went over very well. Also, your cut of London Broil was excellent and much appreciated. Second, your decision to have the food served by the waitstaff instead of having the customers serve themselves added an extra level of class to the entire affair. Third, your decision to bring in the popcorn and chocolate fountain added a new and memorable "flavor" to our buffet presentation.

I don't have to tell you that you have a major goldmine in Mae Howard and her amazing cast of servers. We received many compliments regarding service. In any continuous buffet of this type, it is vital to have the number of experienced servers you had. Any unwarranted concerns I may have had quickly dissipated when I saw the crew which Mae galvanized to make this event run smoothly. And run smoothly it did. You accommodated the crowd with ease and orchestrated a banquet fit for a king for our milestone 10th Anniversary Show.

On a personal note, Herman and I want to thank you, Fishel, for giving this job your careful, personal attention based on years and years of your professional expertise. You run a "class act" and have raised the benchmark for providing delicious and plentiful catering with impeccable service. You can be sure that you will be our caterer of first choice next year in anticipation of our 11th Annual Trade Show & Grand Sale.

With much appreciation,
Sherry Berlin
