DO NOT DROP

Dear Fishel,
 Thank you so much for a truly beautiful Shabbos. Everything was superb: food - quality and quantity; service - very courteous and accommodating. It was really relaxing for all of us.
 Looking forward to doing more Simchas with you.

 ATTORNEYS AT LAW**

"If you have a blank check, you have a lawyer"
 One of our clients recently saw the new earplugs being distributed by the bands, and thought it was popcorn. Although he suffered no ill effects after swallowing a handful (and therefore we may not be suing you...this week), he found it to be a bit stale. He was wondering if they could be added to the menu at his upcoming Simcha. ***Not related to most of our clientele
