## Stop the Barley!

We have received a BARRage of responses to our yoshon BARley request. Our customers are the best; BAR-none! And once we're speaking about BARs, you can book your BAR or bas mitzvah whether you're a BAR' b'rov, BAR hachi, (however BARYonim in their present state may not apply\*) whether or not they passed the BAR.

\*anyone under BAR'bas mitzvah who can provide the source of our BARRing BARYonim in their present state but not their future state (hint: check out the flag) may fax their answer in and receive a prize from our grab bag

## MASHGIACH'S CORNER

When purchasing items from local kosher sports concessionaires, be sure to use the packaged condiments available at their stand only. Despite advice from the overworked, undertrained, underpaid, and generally misunderstood staff members, the condiment dispensers from not-yet-kosher stands may not be acceptable to the supervising agency or to the Creat-r.
