What Have YOU Done for Klal Yisrael Today?

Imitated but never duplicated, once again it's the famous

O'Fishel's Summer Masmidim Program

XIX (19)

A masmid(a) isn't necessarily someone who learns **all** day, but it is someone who learns **every** day.
Learn one Mishna a day (or 5 Pesukim, for younger children) this summer, and you'll receive
a great prize at the successful conclusion of **each and every week**.

GREAT PRIZES, INCLUDING:

**Frozen Treats, Candy, Bungee Rockets, Snowcones, Sodas
Hot Dogs, French Fries & Other Almost-Never-Before-Seen Prizes!**

Successful completers of either session can attend our

of date.

The ALL-THE-BRACHOS-YOU-CAN-MAKE BARBECUE SIYUM will feature Super Special Prizes,
including the special Nachum Hurvitz & Family-sponsored bikes!

INFLEXIBLE, INVIOABLE, IRONCLAD ENCHIRIDION**:

1. While we encourage reviewing, learning of a different Mishna must take place every day. Children who are unable to learn Mishnayot may recite 5 Pesukim. Those unable to do that may repeat the words of the Pesukim as they are recited by an adult or learning partner. If you miss a day, please see rule number 9.
2. Appropriate learning may be substituted on Tisha B'Av.
3. Diligently use the calendar on the other side to keep track of your daily learning.
4. Chavrusa, Rebbe, parent, child or other learning partner must sign within 48 hours of learning. If not, call 443-660-9132 for a hetter.
5. Use the first line to list the mishna learned or pesukim recited; use the second line to list the person with whom you learned; use the third line for that person's signature. In accordance with the Great Time and Ink Saving Act of Summer 5763, once the learning partner has signed once, he/she, may use initials thereafter for authentication.
6. Each weekly prize depends upon successful completion of that session's learning (including previous weeks). Additionally, those over Bar/Bat Mitzvah must complete an entire Mesechta (yes, Pirkei Avos counts, too) during the course of this contest. Any masmid(a) learning an entire Seder of Mishnayot must also do so in the course of this contest. In both cases, only one Mishna per day needs be listed and verified.
7. Prizes may be redeemed for one week at the previous week's sponsor location. All forms must be up to date and signed. Prizes are non-transferrable, and must be picked up by each Motivatee unless advance permission granted by individual sponsors. The No-Nudnik Act of 5765 expressly disallows any undue kvetching.
8. O'Fishel's Summer Masmidim Program does not discriminate on the basis of age, gender, report card grades or ice cream flavor preference.
9. Even if you miss a day, you **MAY** be eligible to continue. In a radical departure from previous contests, and with the goal of increasing Torah study, if a Mitzvah Motivatee misses a day (that's ONE day) during the course of either session of this program, he or she must call the Mitzvah Motivator Chief Justice personally at 443-660-9132, and present a really, really, really good reason. Pending a meeting of the Mitzvah Motivator High Council (M. Mo Aitzas, for short), a dispensation may be granted following an additional assignment, and the Motivatee may be allowed to continue in the program.
10. The decision of the judges is always final and sometimes correct.
